Recipe For FIDO...

Apple Cinnamon Drops

1 large apple
1/4 cup honey
1/2 cup of water
1/8 cup whole wheat flour
1 1/2 cups whole wheat flour
½ teaspoon cinnamon
1 cup oatmeal

Directions:
Preheat oven to 350°F (180°C).

Core, slice and mince the apple (use a food processor if you have one). In a large bowl, combine the minced apple bits, honey, water, cinnamon, and oatmeal. Gradually blend in the wheat flour, adding enough to form a stiff dough.

In a small bowl, add 1/8 cup wheat flour. Spoon the dough by rounded teaspoon onto ungreased baking sheets, spacing about 2 inches (5 cm) apart. Using the bottom of a glass dipped in the wheat flour (to prevent sticking), flatten each spoonful of dough into a circle. Adjust the size of the drops based on how big a treat you like to feed your dog.

Bake for 30 minutes. Remove from oven and flip each cookie to brown evenly on both sides. Reduce oven temperature to 325°F (180°C). Return to oven and bake for an additional 30 minutes. Let cool overnight. Makes about 3 dozen crunchy cookies, depending on how big you make them.
