## Siblings of the Month

Congratulations Kaela & Khloe!

Kaela is 5 years old & Khloe is 8 months old. They are both Huskies. Kaela has been a regular camper since 2005 and she loves being a sister to Khloe, she is very protective of her. Both are very friendly with other campers and counselors and they love to howl! They adore their father who spoils them very much. Kaela & Khloe are deserving of their new title!
