## Animals As Gifts

By [www.adoptshelters.org](http://www.adoptshelters.org)

The holidays are a popular time for welcoming a new furry friend into your family. There may not be a greater gift for homeless animals than to open your heart and home to them. As they do year-round, animal shelters have thousands of wonderful companions available for adoption.

But whether you are considering a new friend for you or someone else, remember that choosing an animal is a big decision. Instead of bringing home an animal right away, consider putting together and wrapping an "adoption kit." Fill a box with toys, a bed, a leash, a collar, food, treats and a gift certificate for adoption fees at your local shelter. Then, make an event of visiting the shelter to find your next best friend!

Remember, millions of homeless animals wait for a home each year! Give the gift of life this year and choose to adopt.

## Campers of the month

### Hollywood

Bisco is an 8 year old Spaniel Mix that has been attending daycare for over 2 years now. Bisco loves to play security guard and is constantly patrolling the daycare and looking for any camper that may need his attention. He takes his job very seriously and we all enjoy watching him take pride in his duties. Congratulations Bisco!

### Boca Raton

Kyrie is a 6 year old female Labrador Retriever Mix. She has been a regular camper for the past 5 years along with her best friend Kodi, who sadly passed earlier this year. She has made lots of new friends this year at camp who keep her busy and love to play and run with her. She is such a sweet heart and well deserving of her new title. Congratulations Kyrie.

### Fort Lauderdale

Margie and Dudley are both 12 year old Shepherd Mixes that have been attending daycare since 2004. These two are inseparable and love each other very much. Although a little shy, Margie and Dudley are amazing campers that enjoy spending their time hanging out together with an occasional romp with another senior buddy. We love Margie and Dudley very much. Congratulations

## Pet Safety Tips for the holidays

By: [www.petmd.com](http://www.petmd.com)

1. Did you know holly, mistletoe, and poinsettia plants are poisonous to dogs or cats? If you normally use these plants to decorate your home, they should be kept in an area your pet cannot reach.
2. Edible tree decorations whether they be ornaments, or cranberry or popcorn strings are like time bombs waiting to happen. These goodies are just too enticing and your pet will surely tug at them, knocking down your wonderfully decorated spruce.
3. Burning candles should be placed on high shelves or mantels, out of your pet's way there's no telling where a wagging tail may end up. Homes with fireplaces should use screens to avoid accidental burns.
4. To prevent any accidental electrocutions, any exposed indoor or outdoor wires should be taped to the wall or the sides of the house.
5. When gift wrapping, be sure to keep your pet away. Wrapping paper, string, plastic, or cloth could cause intestinal blockages. Scissors are another hazard.
